PRODUCT PRESENTATION

QUPA 2 Plus

The comfortable entry-level model in the Qeridoo world:

THE UPGRADE FOR MORE COMFORT, PRACTICAL FEATURES, AND RIDING FUN!

The QUPA Plus is the next level of the popular QUPA model – with additional features that make all the difference. It combines a modern, safe design with carefully designed comfort features, making it ideal for everyday family life. Whether on the way to daycare, a stroll in the park, or a long bike ride – with the QUPA Plus, every trip becomes a pleasure.

Fresh Design in mineral blue

The QUPA Plus shines in the modern and fresh color mineral blue – a real eye-catcher on any route.

Impressive price-performance ratio

In the bike trailer segment, the QUPA Plus sets standards in its price range. It combines proven Qeridoo quality with thoughtful features, offering an unbeatable price-performance ratio. Perfect for those who value comfort and functionality without compromising their budget.

Air-Filled Buggy Wheel for a Smooth Ride

Whether in the city or on uneven terrain – the air-filled buggy wheel ensures a pleasant riding experience. It can also be locked, giving you full control even during sports activities.

Optimized Drawbar System for Even Easier Handling

The QUPA Plus features the proven tow bar mount from the Sportrex and Kidgoo models, providing an even more comfortable and intuitive attachment to your bike. Thanks to the practical locking button, coupling is now even faster and easier – perfect for everyday use.

Maximum comfort for small passengers

More comfort for your child thanks to enhanced seat belt pads – no pressure, no slipping, just pure riding enjoyment! The optimized, height-adjustable headrest offers better support and maximum comfort, especially when your child falls asleep on the go.

Flexible for Any Everyday Situation

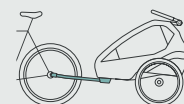

Bike trailer, buggy, or with an optional jogger wheel – the QUPA Plus adapts to your plans and is always ready for action.

Now available in mineral blue as a one seater for €600 (RRP) and a two seater for €650 (RRP).
